LUGGAGE

BLACK MATCH

Rod Holdalls

The immensely popular 'Black Match' collection has been revamped.

This excellent luggage range is constructed using a hardwearing and extremely durable material with a thick PU Nylon backing. Careful thought has gone into the design process making every item user friendly. All the items are competitively priced and offer exceptional value for money.

8 TUBE SUPER MATCH HOLDALL

The Super Match Holdall has been designed to hold eight tubes, all stored in the main central compartment which is accessed from the top. Externally there are three pockets designed to house banksticks, an umbrella and a landing net handle. To complete the holdall a padded carryall handle and fully adjustable padded carry strap are fitted for easy transportation.

X-LONG CONTINENTAL ROD HOLDALL

Constructed from a hardwearing and extremely durable material the X-Long Continental Rod Holdall has been designed especially for anglers who use 16m poles and need an extra long holdall to transport the extra long pole sections used in ultra long poles. The holdall is split into two compartments both of which have full zip openings. The first compartment holds a total of six tubes, with the second holding four tubes, all of which are held in place via Velcro straps to stop excessive movement. The second compartment also has the addition of two pockets designed for storing an umbrella and banksticks. The external zips run around three sides of each compartment allowing the holdall to be laid flat for easy access. To complete the holdall a padded carryall handle and fully adjustable padded carry strap are fitted for easy transportation.

Features

1

Black Match holdalls and carryalls have adjustable padded shoulder straps to make transportation easy and comfortable.

2

The Black Match range has extra strong 'chunky' zips which are hardwearing and durable.

CARRYALLS

Constructed from hard wearing 1200 Denier fabric, Black Match carryalls have large internal storage for bait and clothing and external pockets for sundries. Padded handles and adjustable carry straps make carrying large loads easy and comfortable. Large front pockets with an adjustable snap-lock fastener will house the Net Purse/Net Purse Carryall (available separately).

LU5241	Carryall	£18.99
LU5240	Jumbo Carryall	£24.99

NET CARRYALLS

Two items designed to store damp and dirty nets away from the rest of your tackle, eliminating odours and keeping things clean and tidy. A zipped top entry opens the purse to half its height allowing easy access and both models fit the outer pockets of the Jumbo and Match Carryall. The Net Carryall has two carry handles which allow it to be carried separately, if required.

LU5242	Net Purse	£6.99
LU5243	Net Carryall	£9.99

COOLER BAG

Thermally lined bag designed to keep bait in perfect condition in hot or cold conditions. A zipped flap allows quick access to the contents. This model will accommodate two Fox 2.2pt bait boxes and still leave room for bloodworm, tins of corn and meat. A top tip is to use frozen bottles of water as cooler blocks. As they thaw they can be drunk.
