Specialist Landing Net,
Handles and Net Float

Fish care is a design priority at Fox International. As a leading manufacturer of angling equipment we feel we have a duty to produce products which protect the fish people catch.

Every product in this section follows this design ethic, and to support this every Keepnet and Landing net carries a Fish Safe logo to show they comply with all national and regional Environment Agency Byelaws and regulations.

CONSPIRACY LANDING NET HANDLE

Good all round landing net handles. The top two sections of the 3.4m version are telescopic with the third featuring a put-over joint while the 3.0m model is a two-piece telescopic design.

LN6102	3.4m handle	£24.99
LN6101	3m handle	£24.99

CHALLENGER LANDING NET HANDLE

Reinforced carbon handles which include a short 'dolly' section which nets attach to and can be removed for transferring big fish from landing net to keepnet.

LN5922	2.7m handle	£29.99
LN5921	3.5m handle	£36.99

FOX MATCH PONTOON NET FLOAT

Small, cylindrical float manufactured from high density foam. Highly buoyant, the net float supports the weight of a landing net making netting big fish fast and simple.

MLN028	Pontoon Net Float	£6.99

SPECIALIST LANDING NET

Extra large spoon landing nets designed specifically for big fish. A strong alloy frame and soft touch moulded spreader block make landing and lifting fish easy. The non absorbent 'rubberised' fast flow mesh is quick drying, which eliminates odours as well as making these nets ideal for river fishing.

ALN001	Spec. landing Net 24"	£9.99
ALN002	Spec. landing Net 30"	£12.99

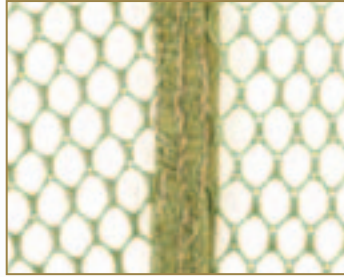

A quick drying, non absorbent, rubberised mesh helps eliminate fishy odours and allows the net to glide through water which makes netting fish a doddle.
