PREDATOR

PIKE FLOATS

The Fox Guide To Modern Pike Fishing book has a complete chapter dedicated to rigs, floats and their uses.

Pike anglers have demanded better floats which are more durable. We have risen to this challenge and produced what we believe are the finest pike floats available. Durable they certainly are, made using a 'thick wall' blow moulding technique with centre tubes ultrasonically welded into position to ensure that they are well sealed against water ingress. Being moulded in a clear material makes them very inconspicuous when viewed from below. The fine bore centre tubes eliminate the need for a stop knot bead and the paint finish has been developed for better visibility in low light. This new range of floats, which incorporates new larger sizes, is packed with features that modern pike anglers have asked for. They are compatible with our egg sinker weight system.

 Pike Floats

Fluted Slider

Designed primarily with running water in mind, these fluted floats feature a unique tri-fin design which deflects the flow helping to combat the current and stabilise the float. They can also be used on stillwaters, where the fluted design means minimal resistance is felt by any predator taking a bait. They are available in three sizes.

PAC008	Medium 12g	£2.25
PAC010	Large 18g	£2.25
PAC009	X Large 25g	£2.25

Stubby Slider

The unique design of the Stubby Slider allows these floats to support large baits. A 'cigar' style float which is a compromise between Slimline Sliders and Ball Bobs, hence they will have a much more universal appeal. Useful for close range deadbaiting also. Three sizes are available.

PK2517	Medium 12g	£1.95
PK2518	Large 18g	£1.95
PK2519	X Large 25g	£2.10

Livebait Slider

Dumpy pear shaped float with the main buoyancy above the water line to provide extra support for roving or trotting livebaits. Available in four sizes to suit a wide range of bait sizes.

PK8006	Small 8g	£1.75
PK8007	Medium 12g	£1.75
PK8008	Large 18g	£1.95
PK8009	XLarge 25g	£1.95

Ball Bob

A highly versatile 'universal' float. Perfect for suspended and roving baits but can be used for close range deadbaiting, trotting in running water and trolling behind a boat. Especially useful for a variety of boat fishing methods. Available in two sizes.

PK2474	Medium 32mm	£1.95
PK2475	Large 40mm	£1.95

In-line Troller

Unique trolling float that incorporates a contoured centre tube which locks the float in place at the stop knot ensuring that the float does not slip towards the bait when trolling. Four sizes are available including an XX large size by popular demand for very large baits.

PK8003	Medium 12g	£2.10
PK8004	Large 18g	£2.10
PK8005	X Large 25g	£2.10
PK5646	XX Large 35g	£2.25

Slimline Slider

Primarily designed for trotting livebaits in swift running water. Their slim contours offer minimal resistance to currents permitting a slower presentation. Can also be used for close range deadbaiting, particularly on rivers.

PK8010	Small 8g	£1.95
PK8011	Medium 12g	£1.95
PK8012	Large 18g	£2.10

Kwik Change
Egg Sinkers

Kwik Change Egg Sinkers

The unique design of these egg sinkers which feature a finely machined side slot, allows the weight to be changed in seconds without having to break down one's main line. Each size of egg sinker is carefully designed to balance the Fox pike floats.

PK1043	Small x4	8gm	£3.25
PK1044	Medium x4	12gm	£3.25
PK1045	Large x3	18gm	£3.25
PK1046	X Large x3	25gm	£3.25
PK5650	XX Large x3	35gm	£3.25

Stubby Sinkers

Designed to match the Fox pike floats providing the exact loading for each size. Machined in black and brass with plastic inner tube and rubber sleeve to semi fix to trace if required.

PK8033	Small x6	8gm	£2.49
PK8034	Medium x5	12gm	£2.49
PK8035	Large x4	18gm	£2.49
PK8036	X Large x4	25gm	£2.49
PAC003	XX Large	35gm	£2.49

Stubby
Sinkers

Loaded Lift Deadbait Pencil

Sensitive float for laying on with deadbaits at close to medium range. Tighten down to the bait so that the minimum of float tip is showing. A bite will result in the float lifting exposing the white portion of the float which means that a shy biting fish is taking the bait.

PAC014	Loaded Lift Deadbait Pencil	Small	£2.45
PAC015	Loaded Lift Deadbait Pencil	Med	£2.45
PAC016	Loaded Lift Deadbait Pencil	Large	£2.45

Deadbait Pencil

Long slim pencil style float, for laying on over depth with deadbaits. When set correctly, with the float at a slight angle, a take usually results in the float falling flat on the surface before sliding away.

PAC017	Deadbait pencil	£2.45
--------	-----------------	-------

Hi-Visibility Dart

Dumpy design with dart flight for excellent visibility in low light or rough water conditions. Particularly suited to fishing at long range. Permits sensitive bite indication when fishing static baits.

PAC011	Small	8g	£2.25
PAC012	Medium	12gm	£2.25
PAC013	Large	18gm	£2.25

Serious anglers want serious choice, which is where the Fox range of pike floats come in. We have retained our hugely popular pencil and dart style floats, but considerably improved upon their construction and reliability in an area of the sport whereby equipment can take quite a beating.

We have also introduced a range of thick-walled, blow-moulded floats which are developed with strength, reliability and functionality in mind. Our floats come in several sizes to suit every situation the angler may encounter and they are all complimented by the range of Fox Egg Sinkers in comparative sizes. Never before has such a versatile system been available to the ambitious angler.
