Elite Unhooking Mat

Stalker Safe Zone Unhooking Mat

Safety Weigh Sling

Weigh Sling

Stalker Unhooking Mat

Weighing Handle

Deluxe Weigh Bar

## Safety Weigh Sling

This ingenious design has several important features. Zipped ends allow fish to be housed securely in the sling but released back into the water without removing it. Made from PVC coated nylon, it protects Pike and other species from damaging mucus loss, whilst the venting system allows excess water to escape quickly giving a reliable, accurate weight reading.

CCC003 Safety Weigh Sling £22.99

## Elite Unhooking Mat

This beanie style unhooking mat is perfect for fish of all sizes. The padding moulds to the shape of fish of all sizes and holds them comfortably in place. Pegging points allow the Elite Mat to be secured with bivvy pegs in windy conditions.

CC5053 Elite Unhooking Mat £37.99

CC5751 XL Elite 1650mm x 1030mm £54.99

## Weigh Sling

Another very functional sling featuring a slippery PVC Coating to prevent mucus loss and scale damage, while two extra strong external handles provide security when weighing fish.

CC7312 Weigh Sling £18.99

## Stalker® Safe Zone Unhooking Mat

The Stalker Safe Zone unhooking mat measures 1300mm x 850mm when opened and is large enough to safely protect the biggest of pike. It features a raised outer edge which helps keep fish in the centre of the mat. Made using a dual padding system which incorporates a bean bag style outer rim packed with micro polyballs, while the actual floor of the mat is made from a highly protective foam. The Safe Zone can be pegged to the ground to keep in position during stormy weather.

CCC005 Safe Zone Unhooking Mat £21.99

## Stalker® Unhooking Mat

This unhooking mat features soft padding and a unique slippery finish to minimise damage to the fish's protective mucus. It includes handles to aid safe transportation of fish back to the water.

CCC004 Stalker Unhooking Mat £23.99

## Deluxe Weigh Bar

A vital accessory for anglers who want to accurately weigh large fish. Attached your scales to the bar and use two hands to lift the fish. New improved designed features soft touch easy grip handles and ultra secure, quick release, 'carabiner' style clip.

CC5694 Deluxe Weigh Bar £9.99

## Weighing Handle

This injection moulded handle has been ergonomically designed to comfortably fit the hand. The handle features a 3/8" aluminium thread that allows it to be screwed to a bankstick so fish can be lifted effortlessly. Also available complete with pole.

CC5084 Weighing Handle £9.99

CC5085 Weighing Handle With Pole £29.99

### Power Lift Digital Scales - 100kg/220lb

The Power Lift Digital Scales are the true heavyweight addition to the digital scale range by Fox. Rated to 220lb, these scales are ideal for use for weighing catfish and large carp extremely accurately. They even include a temperature probe to help you build-up a complete picture of your catch reports. These scales, just like the original digital scales, feature a save and store function and have luminescent buttons and a backlit LCD display to aid weighing your catches at night.

- Digital scales 220lb/100kg rated
- Save and store recorded weights
- Time and date function
- Temperature probe
- Dutch pounds conversion
- Under/Overload indication
- Backlit display
- Gravitational offset feature

AVAILABLE  
2008

*"Look after your scales by keeping them clean and dry when not in use."*

Digital Scales

### Stalker® Scales - 25kg/55lb

New for 2008, the Stalker Scales provide accurate measurement in a compact, portable casing. A bright backlit digital LCD panel displays the weight clearly, and this can be adjusted to show pounds, dutch pounds or kilograms. Folding arms and a retractable handle make the unit easy to carry in a carryall or rucksack, and a protective hardcase (available separately) stops damage. When you consider the comprehensive features, the price can only be described as offering exceptional value for money.

CEI062	Stalker Scales	£59.99
CEI074	Stalker Scales Hardcase	£7.99

### Digital Scales - 30kg/66lb

Fox Digital Scales are highly calibrated units, to provide anglers with quick and accurate readings. A built in storage facility allows weights to be recorded and retractable hooks make the Digital Scales compact and portable when not in use.

- Clip on case for protection in transit
- Easy to use push button system
- Fold out soft touch easy grip handles
- Retractable weighing eye
- LCD with night-lite facility
- Storage facility for catch records

EI5302	Digital Scales	£89.99
CEI032	Dig.Scales Advantage Timber	£99.99
